

REAL ROAD AUTONOMOUS DRIVING SIMULATOR

STUDY DRIVING DECISIONS

INSTRUCTIONS

INTRODUCTION

You are about to take place in a study about transportation in autonomous vehicles. Please read this information carefully. If you still want to participate hand over the consent form to the researcher. The rest of the study you will be on your own. If you have questions at any moment you can call 248-954-0259.

AGENDA

Demographics

Fill out the paper form **Demographics**

Call your cab

Visit ☐ bit.ly/AutoTripA / ☐ bit.ly/AutoTripB on your own smartphone (or the device provided to you) to call the autonomous cab. Take the documents with you. Once the cab arrived enter it through the back door.

Trip 1

- Your first trip will be with all guide informations ☐ turned off / ☐ turned on
- Buckle up
- During the approximately 15 minute ride you are free to use your time however you want. Grab a magazine. Check your emails or play a game.
- Once you are ready **Start** the trip

Arrived back at destination

- Once we arrived at the destination please fill out one of the **machine acceptance index** forms
